

ARRY'S ROOFING SERVICES

**PROJECT:** Residential Home*Residential Home, St. Petersburg, FL*

Products: Rustic Shingle with Hi-Flow Ridge Vent manufactured by Isaiah Industries and VersaLoc Standing Seam manufactured by Gulf Coast Supply & Manufacturing.

Contractor: Arry's Roofing Services, Inc., Tarpon Springs, FL, www.arrysroofing.com

This residential project included many unique challenges, including being very steep, unique angles, custom live-edge Cyprus siding, had no access to the road and exposure to severe weather conditions coming off the Gulf of Mexico. Arry's Roofing Services combined two premium, Kynar-coated, aluminum roofing systems to provide the homeowners a lifetime of beauty and protection.
