

## PROJECT: Home

*Residential Home, Alma, MO*

**Product:** KasselWood steel shingle in Onyx Black

**Manufacturer:** Isaiah Industries, Inc., Piqua, OH

**Contractor:** Manor Roofing & Restoration Services, [www.exploremanor.com](http://www.exploremanor.com)

These homeowners were searching for a solution that would provide all the benefits of metal without altering the architecture of their home. KasselWood In Onyx Black emulates the traditional look of asphalt shingles while providing superior hail resistance and significant energy savings despite its dark color. The geometry of this roof required expert craftsmanship from Manor Roofing & Restoration Services to ensure the homeowners a roof that will truly last a lifetime.
