

New roof for Anna church

Work is proceeding at St. Jacob Lutheran Church in Anna on replacing the tile roof on the church. D & N Maintenance of Wapakoneta is doing the work of replacing the tile roof with an aluminum roof. Ned Burden (photo at left), one of the D & N crew, works

on the peak of the roof. The photo above shows several members of the Wapakoneta company crew taking advantage of the favorable weather to get the roof project completed. (Staff photos by Bill Teague)
